

## Letter of Endorsement for Personal Character

Dean Lindsey

Ty Lindsey

May 28, 2022

Our family moved to Noble, Oklahoma in 1972. Our family established a Retail and Wholesale Tire manufacturing business in this area for the better part of two decades. After that, both of us became officers with the Oklahoma City Police Department where we had careers with over a combined 50 years of law enforcement service. We currently own a wellness/fitness/sports business in Norman, Oklahoma.

It has been our pleasure to know Rusty Grissom since the early 1970s. In school, Rusty was that all-American type student who enjoyed sports, made his grades and was looked up to by his peers.

Rusty carried his personality traits of honesty, loyalty and respect right along with him into the private sector. We have watched as he has grown and developed his business into the success it is today. Rusty Grissom cares about the people in his community and it shows. We are proud to endorse Rusty Grissom for County Commissioner.

Sincerely,

Dean & Ty Lindsey
