

FROM THE DESK OF SETH WADLEY

To whom it may concern:

As a car dealer, I've come to meet thousands of business owners through the years. Rusty Grissom has always been a stand out guy to me. I've known him prior to owning my own dealerships and there's no one I trust more with my properties than him.

He is an upstanding man and treated me and my businesses fairly. It is a rare commodity when you find someone who is truthful, efficient and such a hard worker. As he's seen my businesses grow through the years, I've also seen his business grow. He's built Grissom Landscape Nursery organically by building relationships and making his word his bond.

It is with great pleasure that I recommend Rusty for District 3 County Commissioner. There's not a doubt in my mind that he will put his whole heart and soul into this position, work tirelessly for the citizens of Cleveland County and do it all with a smile on his face. He'll bring creative solutions and solve problems efficiently and quickly.

Rusty as Commissioner is a venture that is viable for Cleveland County at a time that is critical for our future. Our county faces new challenges in financial oversight and spending taxpayer dollars, and Rusty is, without a doubt, the man for the job.
