

COMMISSIONER UPDATE

CONSERVATIVE FINANCIAL + BUDGETARY MANAGEMENT

- Reinstated the Budget Board
- Negotiated \$3.5 MILLION settlement for transmission line over county owned property.
- Re-negotiated ALL standing county contracts, significantly increasing monthly income for the county.
- Identified account with \$12M on deposit, gaining only .01% interest
 - Re-negotiated terms by opening up to other banks for bid increasing from \$103/mo to \$45,000/mo.
 - Current savings: **\$411,961** in just 11 months.

COUNTY MANAGEMENT + OPERATIONAL EFFICIENCY

ARPA FUNDING DISTRIBUTED:

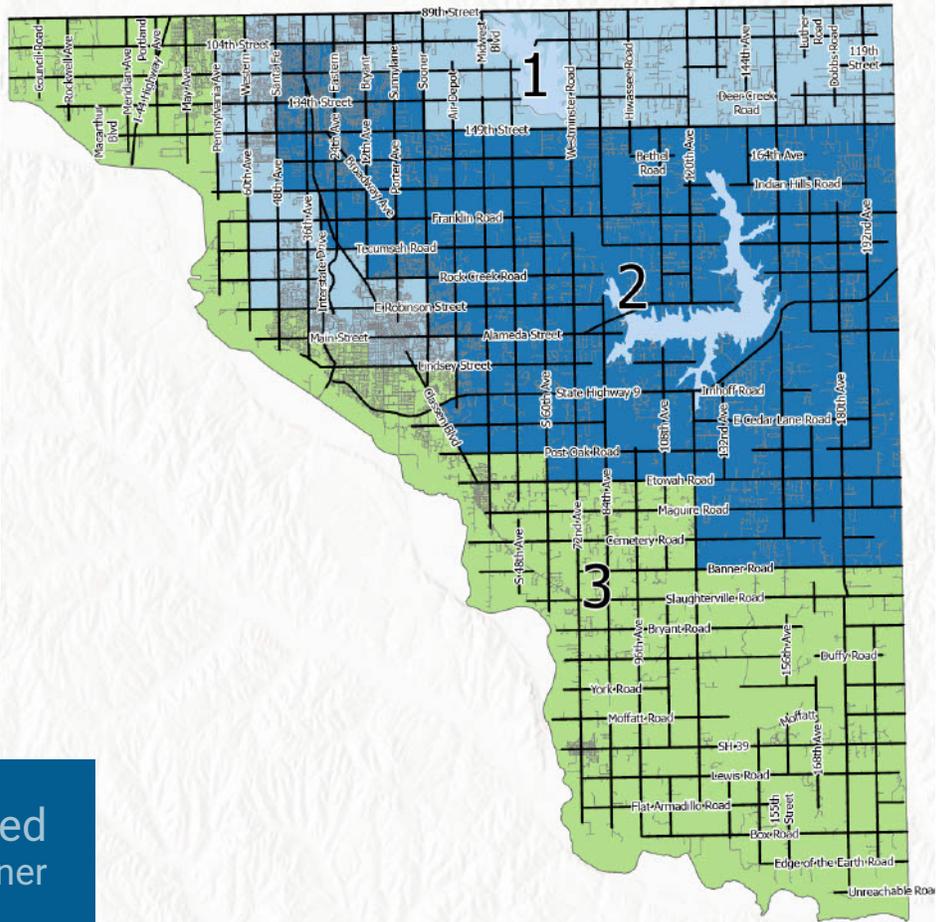

- Spearheaded whole courthouse generator project by securing ARPA funding
- Upgrades to the Alan J. Couch Juvenile Detention Center
- Cleveland County Detention Center Body Scanners
- Revitalization of Fairgrounds + New Exhibit Hall
- Demolition of County Election Board Building; Remodel and relocation of Election Board
- Added Audio/Visual to courtrooms + Commissioners' meeting room
- New Air Handlers at courthouse

ECONOMIC GROWTH

- Revitalization of Fairgrounds, which will lead to bringing in new events and ultimately revenue to Cleveland County
- Startup 405 Business Incubator Funding through ARPA allocations
- Assisted Cleveland County Economic Development Coalition on re-locating businesses into Cleveland County
- Worked with South OKC Chamber on promoting business development south of Will Rogers World Airport
- Partnered with Aerospace development at Oklahoma Max Westheimer Airport

INFRASTRUCTURE MAINTENANCE

- Chartered relationships with Native American tribes including Absentee Shawnee and Citizen Pottawatomie Nation
- Secured donations from respective tribes for asphalt and bridge projects with three future projects in the works
- Completed approximately:
 - 90 miles - chip + seal roads
 - 23 miles - paved roads
 - 6 miles - solid surface (formerly gravel)
- Over 7,500 miles of shoulder mowing
- Allocated ARPA Funds to replace aging equipment for road crews; Some trucks over 25 years old

Meet the D3 Team

Jenny Goodspeed
Deputy Commissioner

As Cleveland County's first female Deputy Commissioner, Jenny is instrumental in the day-to-day operations of District 3. She was crucial in the discovery of the banking interest deficit.

Ronnie Fulks
Foreman

Keeping all of our roads safe and sound, Ronnie was the contributing factor in getting the county barn brought up to date and finding grants for equipment, roads and bridges.
